Dear Jason

You are now registered as a Professional/Registered Operator, please note you are not authorised to issue Plant Passports.

Your customer registration number (CRN) is 132452

Please note that as Professional/Registered Operator you must keep a record for each trade unit of plant, plant product or other object that you supply or receive. Records must allow you to identify the Professional Operators who supplied it to you.

All records must be kept for 3 years.

Further information on the SRSF plant passport regime can be found on the Defra plant health portal:
